Ruff -N- More

General Info

- All campers at Camp Ruff-n-More must attend a Trial Day to give our staff a chance to get to know your dog, and to give your dog the opportunity to acclimate to our environment. This is required before any boarding or daycare stay. It is up to the staff at Camp Ruff-n-More to determine if we think your dog will be a good addition to our pack. Any dog that shows aggression to people and/or dogs will not be able to stay at Camp Ruff-n-More. The Trial Day is a free service we offer. This period can be anywhere from 2 to 4 hours, though the full 4 hours is recommended. Please call to schedule a time for your dog's trial day.
- We ask that you bring your own food, as we do not want to change your dog's diet. Please package food in an airtight container, or in individual baggies. Do not bring the entire bag of food if possible.
- You are welcome to bring bedding and treats, but bowls are not needed, and toys are not recommended. Leashes are not necessary and can be taken with you, and anything left should be clearly labeled with your dog's name. We ask that if you bring bedding to please make it modest. Do not bring oversized beds or comforters. It is difficult for us to accommodate such large bedding. Please be aware that dogs do have accidents, especially in a new environment, and any bedding you may bring could be urinated or defecated on. In this event, we will bag your bedding and use our own for the remainder of your dog's stay. Please let us know if your dog destroys bedding.
- We ask when you drop off to provide clear, simple instructions for all food and medication your dog needs. This does not need to be written instructions, please just be prepared to tell us when you drop off.
- There are several vaccinations required for your dog to stay at Camp Ruff-n-More. These vaccinations are the Rabies vaccine, the Distemper/Parvo/Corona Virus Vaccine, and the Bordetella, or Canine Cough vaccination. All vaccinations must be given at least 2 weeks before your dog can come to Camp Ruff-n-More for the first time so the vaccine has time to take effect. Rabies and Distemper/Parvo/Corona Virus can be one- or three-year vaccines, and we require that Bordetella/Canine Cough be renewed every six months. It is up to you to keep us up to date on your dog's vaccines. It is our right to refuse service to any dog that does not have current vaccinations.
- All dogs older than eight months are required to be spayed or neutered before coming to Camp Ruff-n-More. Dog daycare is a social environment, so all dogs must be altered in order to interact with the group.
- All dogs at Camp Ruff-n-More must have a flat collar or harness, with name tags. No spiked collars, choke chains, bandanas, or harnesses that restrict your dog's movement will be left on.
